

POWER CLEAN 204-L

LIQUID CLEANER/PHOSPHATIZER

General Description:

POWER CLEAN 204-L is an extremely effective cleaner/phosphatizer formulated to be used with a hand held pressure washer. This product contains a unique surfactant and accelerator system that will provide maximum coating weights in the shortest possible time.

Color and Appearance	Green
Specific Gravity @ 68°F	1.1
Flash Point	>210°F
pH of Concentrate	3.2
pH @ 3%	3.6-4.6
Recommended Concentration	3%
Operating Temperature	>140°F

Benefits:

- Unique surfactant and accelerator system provides maximum coating weights in the shortest amount of time.
- Higher coating weights mean better paint adhesion.
- Excellent for spray wand and steam phosphatizing.

Recommended Usage Concentration

Spray wand – 3% - 5%

Refractometer Chart

3% - .8

4% - 1.1

5% - 1.5

Storage:

Keep at room temperature. Avoid freezing. Keep container closed when not in use.

Disposal:

According to Federal, State, and Local Regulations.

Issue Date: December 7, 1998
